Delivery

The State requests that the first unit be delivered **within 120 days after the receipt of a purchase order**. The State reserves the right to evaluate the delivery schedule offered as a factor in determining award of this contract. The delivery schedule will be finalized with the successful bidder when a purchase order is issued. Bidders are requested to submit with their bid a proposed delivery schedule showing when the first unit will be delivered after receipt of purchase order and at what rate the remaining units will be delivered until order is complete. The successful bidder will be expected to adhere strictly to the delivery schedule finalized in accordance with DOT guidelines after a purchase order is issued.

Transportation Charges

All goods shall be delivered **FOB DESTINATION**, Fleet & Material Management Unit, 4809 Beryl Road, Raleigh, NC, 27606. Prices herein include shipping.

Warranty

Each piece of equipment furnished on this bid will be new and of good material and workmanship. Defective parts found to be free of negligence or accident will be replaced free of charge for **twelve (12) months** from respective dates the machines are put in operation by NC DOT regardless of mileage or hours.

Warranty and defective parts replacement is to include all parts, labor, freight, and travel to site where equipment is down (statewide locations). No travel time or mileage fees or towing fees will be paid by NCDOT during the warranty period. There shall be no reduction (prorating) of coverage resulting from age or mileage during the warranty period.
